PROJECTS

Thesideline.club - Sole Developer | [LIVE GITHUB](#)

Elegant but simple sports blog inspired by Medium - enabling users to share and access trending sports news

- A full stack web application built using RESTful Ruby backend and a React front end. Features a dynamic search bar that utilizes debounce
- Implemented cloud-hosting of images on Cloudinary and Amazon Web Services CloudFront for faster page loads
- Developed custom text-editor for story creation via React-Quill
- Updates React components in real time via jQuery asynchronous requests for a seamless browsing experience

Goal - Front end Developer | [LIVE GITHUB](#)

Inspired by the classic Atari Pong game, rebuilt with Javascript & HTML5 Canvas

- Animated via HTML canvas with custom sounds during the game
- Utilizes a velocity algorithm for ball collision with paddle

Peninsula Chinese Business Association - Front end Dev | [LIVE GITHUB](#)

Converted & rebuilt PCBA's PHP website using JavaScript & HTML

- Features multiple APIs - calendar, photo album, forms & Google maps
- Customization of site-wide CSS such as Parallax & Scrollex

The Endorser - Sole Developer | [LIVE GITHUB](#)

Chrome extension used on LinkedIn to endorse all of a connections' skills at the ease of a click

- Utilizes JavaScript & jQuery to grab all elements to register click on
- Parses any page to show CSS styles, allowing for customization of elements

EXPERIENCE

Sister City Commissioner - City of Millbrae

Jun 2015 - Present

- Handled issues pertaining to the city of Millbrae and its sister cities; address concerning matters pertaining to recent changes to city laws & regulations, overseeing local school's management of exchange students
- Coordinating and managing city funds of ~\$20k towards programs and events for local residents & sister cities' mayors

Field Energy Specialist - SolarCity

Aug 2015 - Jan 2016

- Strategically maximize opportunities to convert into leads by achieving 100% of monthly quotas
- Recognized for ability to quickly establish rapport with customers

Marketing / Game-Ops Associates - Santa Cruz Warriors

Oct 2014 - Nov 2015

- Produced marketing ideas such as discount nights to drive ticket sales and ensured that our marketing strategies went according to plan in a fast paced environment
- Organized in-game media and event advertisements for the 2014-15 NBA Development-League Showcase. Managed game entertainment by directing on-court activities in a dynamic, time sensitive, fast paced environment
